---

- Feel the unique thrill of action-packed real-time battles with your friends in multiplayer mode. - Earn a variety of rewards for your achievements in various game modes including Story Mode, Coliseum and Guild Raid. - Create your own avatar and explore the vast fantasy world of the Lands Between. **STORY SCENE** • A hero from another world stumbles through an unknown labyrinth in the Lands Between. • Summoning the power of the Elden Ring, he breaks the pillars of time and space and opens the way to the unknown fantasy world of the Lands Between. - The hero, who is so desperate to leave the desolate labyrinth that he has lost his way, is a hero from another world, the elder hero, Asciel. • Asciel's life was closed to others. Even a legendary weapon, the long sword, that was said to have been forged by the god of the heavens, has failed to protect him from evil, and he has lost almost all his comrades. • However, he stands on the plains of a desolate world in the Lands Between, and a very unusual, giant weapon has appeared there. • He also finds a boy, who claims to be the prince of the legendary lost kingdom of Elden, Elden Ring, and comes to the dream world of the enemy country, Rymm, which is steeped in a tragic history. • Their goal is to rescue the boy. **REQUIREMENTS** • PlayStation®4 system (PlayStation®4 system is not supported for use in Multiplayer Online Battle Arena) • PlayStation®VR • Internet connectivity is required for the Multiplayer Online Battle Arena. • This game is only compatible with the Japanese, English, and European languages. **VR SUPPORT** For PlayStation®VR, users can experience the game in various modes including VR Play, VR Quest and PS VR. ■ **VR Play** "VR Play" is an experience that supports the achievement of goals in which users can experience a variety of VR activities without loading the game. "VR Quest" is a mission where users control a robot by moving the controller to the controller box of the controller and then input the commands. Furthermore, you can enjoy a game with a virtual joystick that replays the images on the head-mounted display. "PS VR" is a game that was developed to provide a highly realistic experience by performing 2D and
